Remarks

Step into 310 Black Jack Oak Drive and immediately feel at home. From the welcoming foyer with tray ceilings and hand-scraped 5" hardwood floors, this beautifully maintained, one-owner residence unfolds with warmth and thoughtful design. Soaring 10' ceilings, elegant 8' doors, and sunlit open spaces create an airy, inviting atmosphere perfect for both everyday living and memorable gatherings.

The kitchen becomes the natural gathering place featuring granite countertops, Benton white cabinetry, subway tile backsplash, stainless steel appliances, a separate cooktop, a walk-in pantry, and a generous flat-top bar ideal for morning coffee or evening conversations. It flows seamlessly into the family room, where a cozy gas fireplace, custom built-in bookcases, and shiplap accents set the stage for relaxed nights in.

The main-level master suite offers a peaceful retreat with tray ceilings, dual granite vanities, a soaking garden tub, and a tiled walk-in shower with Venetian pebble flooring. Upstairs, three additional bedrooms, two baths, and a spacious bonus room/loft provide flexibility for guests, hobbies, or growing needs.
